December 15, 2005

The Honorable Russell D. Fiengold United States Senator 506 Hart Senate Office Building Washington, DC 20510

Dear Senator Fiengold:

As you know, section 645 of Public Law 108-199, the Consolidated Appropriations Act, 2004, provides the annual reporting requirements for the *Buy American Act* and requires each Federal agency to submit a report to Congress on the amount of acquisitions made by the agency from entities that manufacture the articles, materials or supplies outside of the United States in that fiscal year.

In compliance with the requirement stated above, General Counsel Marilyn L. Glynn has asked me to respond on behalf of the Office of Government Ethics (OGE). As such, OGE provides the following information for FY 2004:

1. Provide the dollar value of any articles, materials, or supplies purchased that were manufactured outside of the United States:

Response: The Office of Government Ethics made no purchases of any articles, materials, or supplies that were manufactured outside of the United States within the meaning of the Buy American Act.

2. Provide an itemized list of all waivers granted with respect to such articles, materials or supplies under the Buy American Act (41 U.S.C. 10a et seq.);

Response: Waivers were neither necessary nor granted to the Office of Government Ethics during FY 2004.

3. Provide a summary of the total procurement funds spent on goods manufactured in the United States versus funds spent on good manufactured outside of the United States.

Response: The Office of Government Ethics spent \$602,034 on goods manufactured in the United States during the time period. As stated above, OGE spent no funds on goods manufactured outside of the United States.

We will make the information provided above available for viewing by the public on the OGE website (www.usoge.gov). If you have any questions, please have your staff contact me on (202) 482-9203.

Sincerely,

Daniel D. Dunning
Deputy Director and Chief
Acquisition Officer
Office of Administration and
Information Management
